About Us

DLA Scientific Ltd is one of the major laboratory supply firms in East Africa as well as Central Africa and Islands region. We specialize in provision of laboratory analysis equipment and bioprocess equipment, supply of water testing equipment and reagents.

We have more than fifteen years of experience in this field and have consistently offered appreciable service to our clients over the years.

We pride ourselves in distributing for some of the major companies in the world in our areas of speciality. Some of these firms are Sartorius- Germany, Malvern Panalytical – UK, Palintest – UK, Memmert – Germany, Faster SRL – Italy, Precisa – Swiss, Optika – Italy, GFL – Germany, Ludwig Schneider – Germany, B Safety – Germany amongst others.

Our company was formed with the realization that efficient provision of services in laboratory supplies, equipment servicing, calibration and laboratory analysis related services is still lacking in East and Central Africa. It is for this reason that our main objective is to specialize in efficient service provision to enterprising firms and research organizations in these areas. Consequently, in the last couple of years, we have tried to provide these services to various firms within East, Central, Mid and Islands Africa region with a lot of satisfaction.

In line with our mission of providing our services locally and regionally, we have in the recent past set up and launched a sister company in Uganda called Sartorius Uganda Ltd (www.sartorius-ug.com) in order to spearhead our services there even more aggressively. We are equally on course in setting up yet another affiliate company in Tanzania shortly to provide us even more physical presence and efficiency in product and services provision.

Our Vision

To be an internationally respected distributor of high-quality laboratory, biotechnology, water analysis products and services.

Our Mission

To work very closely with the manufacturers we represent in order to identify suitable and affordable solutions for our clients locally and regionally.

Our Motto

Provision of affordable scientific solutions

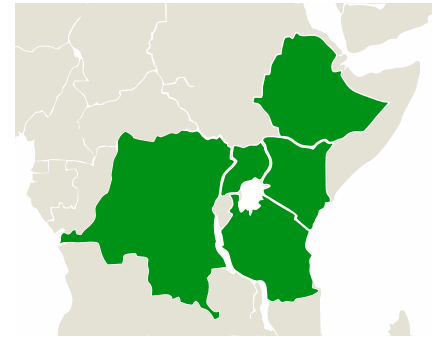

- Research Organizations

Our Partners

Our Specialty

Over the years we have speacilised in offering high-tech laboratories, biotechnology and industrial equipment/products and calibration services solutions.

Our products and services include:

Products

- Laboratory Equipment
- Chemical & Labware
- Laboratory Furniture
- Milk Processing Machines and Equipment

Calibration Services

- Temperature calibration
- Volume calibration
- Mass calibration
- Pressure calibration
- Other calibrations

Our Strength

PROFESSIONAL | RELIABLE | EFFICIENT

We pride ourselves in being one of the most professional and efficient partners in our industry within the region.

Our strength lies in our dedicated DLA Scientific Ltd team, that boasts of unrivaled wealth of experience, professional training and efficiency in delivering results.
